

Mentor and Mentee Activities 2021-22

The College puts efforts leveraging local environment, locational knowledge and resources, community practices and challenges through the academic & practical components such as the following;

A) Efforts for Leveraging local environment:

I) The College successfully organized a Cleanliness and Waste Plastic Collection Drive on 14th October 2021 from 9:30 to 1:00 pm, in the campuses of 3 Educational Institutes in the neighbouring vicinity, as per the instructions of the Ministry of Youth Affairs & Sports, Govt of India and the Office of the Deputy Collector & Subdivisional Officer, Ponda- Goa.

II) GTET Orientation cum Coaching Program, 2021- 25th October 2021 19th November 2021.

In accordance with the provisions of subsection 1 of section 23 of the RTE act, NCTE has laid down passing Teacher Eligibility Test as the minimum qualifications for a person to be eligible for appointment as a teacher for class 1st to 8th. In response to this SCERT, Goa conducted States first ever Goa Teacher Eligibility Test (GTET) on 21st of November 2021. GVM's Dr. Dada Vaidya College of Education facilitated regular and ex-students with 'Orientation cum Coaching Program-2021' which was co-ordinated by Assistant Professor Vinayak More. The entire program was conducted free of cost for the students. In all 176 students enrolled for the program and more than 120 students completed the coaching program. We are proud to say that 68 students who qualified for GTET-2021 were from this batch.

iii) Tree Plantation in collaboration with Inner Wheel Club, Ponda on the occasion of World Nature Day, 2021.

In order to commemorate the World Nature Conservation Day, Dr. Dada Vaidya College of Education conducted Tree Plantation. It was carried out on an online platform through google meet so as to reach out to all the students under its ambit. The event was presided over by the President and the Secretary of Inner Wheel Club, Ponda. The President of the Inner Wheel Club, Mrs. Savita D'costa artistically focused on the importance of nature when communicating to student teachers by bringing Ruskin bond and his poetry focused on nature. Dr. Jojen Mathew Officiating Principal also addressed the gathering and reiterated the need for planting more trees.

B) Efforts to leverage locational knowledge and resources:

The institution has the advantage of being a part of the esteemed Goa Vidyaprasarak Mandal and equally so has maintained good relationships within the educational fraternity and the community at large. Being strategically located it has access to Health Care Centre, Hospice/Dilasa Old age homes, Orphanage, Special Children Schools, Heritage sites of religious importance etc within a few kilometres. This makes collaboration with such institutions feasible for community engagement programs.

Various programs held annually in the College for the benefit of the B.Ed teacher trainees has eminent local Doctors, Industry practitioners, local artisans, acclaimed academicians, Researchers and experts in various fields, as resource persons who willingly share their knowledge and expertise in training the future teachers.
