The following was the discussion in the meeting:

The IQAC coordinator presented the discussion in the previous meeting and briefed the members on the action taken. The college has submitted SSR, DVV process is complete and the NAAC peer team visit date is awaited. The college is now preparing for the NAAC peer team visit.

1. The old copper line to be changed to fiber mode for net connection in the college. This is to get an uninterrupted net connection in tune with the latest technology in net connectivity.
2. The members agreed to the idea of installing solar lamps in the campus as part of a green initiative. The college can make an effort to get sponsorship for this project.
3. The old curtains of windows to be changed as they are old and dirty.
4. The idea of making a garden of medicinal plant was appreciated. Students could be made involved in the project.
5. It was suggested to include one member from MEd in IQAC. It was agreed to do so.
6. The Principal gave a proposal to introduce a 3 year integrated B.Ed - M.Ed in the college. It would be a batch of 50 students. This is how MEd could be saved in the college in future. It would also improve the quality of MEd.
7. Mr Ganesh Chandra Naik suggested slotting seminar period on the time table. This could be used for staff seminar and any other talk for the students. It was agreed to implement.
8. There was a suggestion to install AC units in the auditorium. As it is located on the top and very large in size, it is better to take an expert opinion and not to hurry with that project.

The meeting concluded with a vote of thanks by IQAC co-coordinator Mr Ganesh Chandra Naik
